

NEW YORK

The **Big Apple** is overflowing with famous Landmarks, but none more famous than these three: **Times Square**, **The Statue of Liberty**, and **The Empire State Building**.

Bridge Brands Chocolate's **New York Landmark Collection** features all three of these famous places:

Known as "The Great White Way" for the theatre lights that line its streets, **Times Square** has been a glittering attraction in New York City for over 100 years.

The Statue of Liberty was a gift from the people of France to the United States, in recognition of the friendship that formed between the two nations during the American Revolution.

The Empire State Building was, for many years, the tallest building in the world. Rising 1,250 feet or 381 meters at the 102nd floor, the Empire State Building officially opened on May 1, 1931.

Available in 8-tin displays or a mixed three-pack, our New York Landmark Tins are as bold and audacious as The City that Never Sleeps!
