

# MOTHER'S DAY

Show Mom just how much she's loved and appreciated with Bridge Brands Chocolate's new **Mother's Day Tins**. Everyone knows that Mom loves chocolate, and we're sure she'll adore our gourmet chocolate drops.

These beautifully designed keepsake tins will be a favorite place for Mom to store clips, pens, or any other knick-knacks long after the delicious gourmet chocolate is gone. And each time she opens these tins she'll be reminded of how special she felt on the day that's just for her!

**Available in 3-tin gift sets. In White, Milk and Dark Chocolate Drops.**
