

THE WINE LOVER'S CHOCOLATE® COLLECTION

features drops of luscious dark chocolate of increasingly rich cocoa intensities, packaged in our beautiful signature tins!

We have matched six percentages of dark chocolate with six classic varietals of red wine. At the light end of the spectrum are the 54% chocolates paired with Port wine. Most intense are the 72% chocolates, paired with Zinfandel. Other classic red wine varietals – Cabernet Sauvignon, Pinot Noir, Merlot, and Syrah – are also represented in the Wine Lover's Collection®!

- A unique and elegant gift for wine and chocolate lovers alike.
- Perfect for entertaining... and a delicious conversation piece.
- Specific percentages perfectly highlight the suggested red wine varietals.

Wine Lover's Chocolate®

54% pairs with Port - Perfect for an after dinner treat, the 54% dark chocolates are a sublime compliment to the rich, sweet quality of Port Wine.

55% pairs with Cabernet - Cabernet Sauvignon is one of the most popular varietals in the U.S. Its full-bodied nature is a perfect match for these 55% dark chocolate discs.

56% pairs with Pinot Noir - The 56% cocoa blend offers an ideal counterpart for the velvety, complex quality of Pinot Noir.

58% pairs with Merlot - The lush, fruity characteristics of Merlot are a complete match to the 58% cocoa blend.

61% pairs with Syrah - For a perfect pairing of tastes, the 61% dark chocolate balances the spicy, smoky traits associated with Syrah.

72% pairs with Zinfandel - To lift up the rich and powerful properties of Zinfandel, the 72% cocoa blend offers a flawless partnership based on pure taste.

Minis

Good things do come in small packages. We've proven that by taking our wildly popular Wine Lover's Collection and shrinking it down into 1.25 ounce boxes. While the packaging has shrunk, we've actually expanded the line by adding the following chocolate and suggested pairings:

31% White Chocolate with Champagne, 38% Milk Chocolate with White Wine, and 64% Dark Chocolate with Bordeaux. Also available in 3, 6 and 9 Set gift Boxes; these great gifts are beautifully packaged in our sleek acetate boxes!

Six-Tin Gift Set

Our Wine Lover's Chocolate gift sets are an elegant and unique presentation. We offer four different combinations of our three-tin sets and a six-tin gift set. The full Wine Lover's Chocolate® six pack pairs with six types of wine varietals. It is the perfect gift for the most discriminating wine and chocolate lover.

Party Pack

Just add wine! This mixed tray of delicious chocolate is a perfect start to a great tasting party. With 5 ounces each of our Wine Lover's Chocolate Collection, pairing with Port, Cabernet, Pinot Noir, Merlot, Syrah and Zinfandel, the Wine Lover's Party Kit boasts two pounds of premium chocolate in one simple tray. Open the tray, pop the corks on your favorite red wines, and let the tasting begin!
